## [Petzl TIKKA® Headlamp](#)

**Compact headlamp for proximity lighting and some movement. 200 lumens**

Simple and compact, the TIKKA headlamp offers 200 lumen brightness and a wide beam. With its long burn time, it is practical for outdoor activities like camping or trekking, or for traveling, and also for daily activities and projects around the house. The phosphorescent reflector helps you find it in the dark, and the red lighting prevents members of a group from blinding each other. TIKKA is a HYBRID headlamp that is also compatible with the CORE rechargeable battery.

**Features:**

- 
- Compact and lightweight: only 86 g
  - Long burn time
  - Simple to use, thanks to its single button with which to quickly and easily select the lighting mode
  - Three lighting modes: proximity, movement and distance vision
  - Red lighting preserves night vision and stealth, and prevents members of a group from blinding each other
  - Phosphorescent reflector is useful for locating the lamp in the dark
  - TIKKA is a HYBRID headlamp: it comes with three standard batteries, and is also compatible with the CORE rechargeable battery

## **Specifications:**

- Light output: 200 lumens
- Weight: 86 g
- Beam pattern: wide
- Energy: Three AAA/LR03 batteries (included) or CORE rechargeable battery (available as accessory)
- Battery compatibility: rechargeable Ni-MH
- Certification(s): CE
- Watertightness: IP X4 (weather resistant)

**Price:** Regular Price \$29.95

## Princeton Tec Roam Headlamp

The Princeton Tec Roam Headlamp promises reliable, hands-free light, now brighter and more efficient. The Roam begins with a dive-proven platform, adding a 100 lumen LED module and custom optic that delivers the focused beam that you need. Roam can be used as a standard headlamp, and the custom adapter allows mounting on many masks or any GoPro-style mount. Waterproof to 45 meters. Uses 2AA batteries (included). Burn time: 18 hours using the Maxbright LED.

Weight with batteries: 164 grams

**Color:** Yellow

**Price:** Regular Price \$49.99

---

## **Princeton Tec Sector 7 LED**

***Submersible to 100 meters/328 feet***

CE This pistol grip spotlight packs 700 lumens. The trigger switch is easy to use with gloved hands. The switch locks out to prevent accidental illumination and battery drain, while in transit or storage. The trigger switch has been redesigned for momentary "on" via a half pull and constant "on" via a full pull. This flashlight requires 8 C-cell batteries (included) that provide 30 hours of burn time.

- Power: 700 Lumens
- Lamp: 1 Maxbright LED
- Beam distance: 225 meters
- Weight: 2.35 lbs.

**Color:** Yellow

**Price:** Regular Price \$114.99

## Safety Snap Lights

Our Safety Snap Lights are individually wrapped to ensure bright and dependable light when needed. The snap lights produce cool, non-flammable, spark proof light in a plastic container designed to easily fit in your hand. The chemical components are non-toxic and non-corrosive so they are perfect for rescues, survival and first aid. Designed with a hook and a hole so they can be attached virtually anyplace. Safety Snap Lights can be used for safe, reliable emergency lighting almost anytime and anywhere.

- **Size:** 6 in.
- **Colors Available:** Green or Red
- **Duration:** 12 hours

**Price:** Regular Price \$1.75 – \$16.75

## Streamlight Dualie®3AA Flashlight

*Waterproof*

This is an intrinsically safe multi-function flashlight. Produces a focused spotlight and soft flood light. Dual, independently operating push button switches for spot beam, flood beam or both beams simultaneously. Made from durable, non-conductive, corrosion-proof polymer resin. Rocky stipple texture for a sure grip. 3AA batteries included. Battery life: 18 hours (spot or flood)/9 hours (spot and flood).

**Color:** Yellow

**Spot:** 140 lumens/7300 candela, 18-hour run time

**Flood:** 140 lumens/80 candela, 18-hour run time

**Simultaneous Spot/Flood:** 245 lumens, 9-hour run time

**Price:** Regular Price \$45.99

## Streamlight Waypoint Rechargeable Spotlight

### ***Waterproof***

The lightweight, rechargeable Waypoint produces 1000 lumens with a farther-reaching 678m beam! This pistol-grip spotlight features three modes (high/medium/low). A deep-dish parabolic reflector produces a long-range targeting beam with optimum peripheral illumination, and a trigger-style power switch. The secondary rotary switch selects high, medium or low mode. Durable, high-impact polycarbonate housing and a rubberized lens ring, make this the perfect go-anywhere spotlight for all your outdoor adventures.

Battery life: 3 hours high/80 hours low. Power: 1000 Lumens

**Color:** Yellow

**Dimensions:** 8" x 4-1/4" x 8-1/4"

**Weight:** 1.5 lbs.

**Price:** Regular Price \$149.50
